

## **Gulf Coast Center for Evacuation Transportation Resiliency Louisiana State University**

**Deadline: November 22, 2013**

### **Graduate Scholarship Requirement:**

Any graduate student pursuing a graduate degree in a transportation related field. A minimum GPA of 3.25 is required. Application form is attached. As part of the application it is required to submit: a resume, a letter of recommendation and a one page abstract describing the objective, approach and impact to society of their research to society.

Although this is not a requirement, students are encouraged to use these scholarships to support their travel to the Annual Meeting of the Transportation Research Board in Washington D. C. in January 2014. Preference will be given to those students presenting at the conference.
